

Interview for Student Employment

Interview Guide

Sharpen your interview skills by reviewing the [Interview Guide](#) and watching the [Interview Video](#) provided by the Office of Career Education that will provide you with guidance on:

- How to prepare for an interview
- Interview dos & don'ts
- Dress for success
- How to answer behavioral interview questions (the STAR method)
- How to handle illegal or inappropriate interview questions

Bonus Tip: Schedule a 30-minute practice interview appointment with a Career Educator in Handshake [here](#). The practice interview includes 15 minutes of interviewing and 15 minutes of feedback.

Practicing Your Interview Skills Using AI-Based Interview Tools

As an Arcadia student, you have free access to [Big Interview](#) and [Quinnia](#), two amazing AI-based interview platforms for you to practice your interview skills online.

[Big Interview](#) is an online system that combines training & practice to help improve your interview skills. Big Interview offers a variety of tools including:

- Challenging, virtual mock interviews for all experience levels and hundreds of industries
- A database of thousands of interview questions with tips on how to answer them
- A comprehensive video training curriculum covering all aspects of landing a job
- A step-by-step interview Answer Builder for crafting answers to behavioral questions

You can sign up for free using your Arcadia email address. [Watch Big Interview tutorial.](#)

[Quinnia](#) offers online interview simulations with feedback. You will need a resume and webcam, and your Arcadia email address. Select “request feedback” to receive interview insights (typically within 24 hours). Check out this [video tutorial](#) and the [student guide](#).
