

Arcadia University offers a uniquely global, integrative, and personal learning experience that prepares graduates to contribute and prosper in a diverse and dynamic world. Students develop a robust work ethic and the ability to lead, communicate, and think critically with an international perspective. Arcadia's Office of Career Education (OCE) offers these ways to recruit talented students and graduates.

HANDSHAKE (arcadia.joinhandshake.com)

Manage your campus recruiting with Handshake.

- **JOB & INTERNSHIP POSTINGS**

Expand your reach to candidates. Quickly and easily post internships, share job opportunities, promote recruiting events, view applicants, and more using Handshake.

- **SIGNAL BOOSTING**

Handshake's signal boosting feature highlights employers' attributes in collections such as; "Great for Internships," "Hidden Gems," and "Close to Campus." Contact us to boost the visibility of your organization.

- **VIRTUAL SESSIONS**

Connect with students virtually through either individual meetings or group information sessions. These can be configured and shared with students through Handshake.

SPOTLIGHT YOUR ORGANIZATION ON ARCADIA'S CAREER LAUNCHPAD

(careerlaunchpad.arcadia.edu/channels/employer/)

Arcadia's Career Launchpad is an interactive resource where users can set their preferences to receive information relevant to their career community, identity community, or career planning needs. Complete the Employer Spotlight form, and your "spotlight" will be published as a blog for Arcadia students.

CAREER FAIRS AND NETWORKING EVENTS

Arcadia University hosts and co-sponsors several annual recruiting events.

- Actuarial Interview day: A virtual interview day for employers hiring actuarial science and math majors.
- The Professional Pathways Picnic: an on-campus casual networking event.
- Spring Internship & Career Fair: an on-campus multi-industry fair.
- The Diversity & Inclusion Career Connection: an on-campus networking event for employers hiring diverse candidates.
- The Greater Philadelphia Teacher Job Fair: co-sponsored by Arcadia, this fair attracts nearly 2,000 candidates.

ARCADIA CAREER ADVISORY COMMITTEE

The Arcadia Career Advisory Committee meets twice annually (by invitation) to discuss recruiting trends. You will build a network of university and recruiting professionals and deepen your connection with Arcadia University. Additionally, you will have the opportunity to shape curricular and career programming and build your organization's brand.
